MEMORANDUM FOR GROUP FEDERAL OFFICER, DEPARTMENT OF THE ARMY

SUBJECT: Chief of Engineers Environmental Advisory Board – Charter Renewal and Membership Balance Plan Approval

The charter renewal and membership balance plan for the Chief of Engineers Environmental Advisory Board (“the Board”) are approved. A copy of the Board’s charter and membership balance plan will be provided to you once I file the new charter with the Defense Congressional Oversight Committees, the Library of Congress, and the General Services Administration.

In consultation with the Office of the General Counsel (OGC) of the Department of Defense (DoD), I have affirmed that all individuals appointed to the Board, once approved in accordance with DoD policies and procedures, will be appointed to serve as special government employee (SGE) or regular government employee (RGE) members, as appropriate. The following points apply:

- (a) Individual members approved for appointment or renewal of appointment according to DoD policy and procedures, who are not full-time or permanent part-time Federal officers or employees, must be appointed as experts or consultants pursuant to 5 U.S.C. § 3109 to serve as SGE members. Those who are full-time or permanent part-time Federal officers or employees must be appointed pursuant to 41 C.F.R. § 102-3.130(a) to serve as RGE members.
- (b) Each Board member must be notified, in writing, of the appointment authority’s decision. Any questions pertaining to these letters of notification should be referred to me or the appropriate OGC DoD. At a minimum, the letters shall contain the following:
 - i. Notice that each individual's appointment to serve on the Board is without compensation, with the exception of reimbursement of official Board-related travel and per diem
 - ii. A statement that each individual is appointed to serve as an SGE or RGE member, as appropriate.
 - iii. An explanation of the difference between serving as an SGE or representative member.
 - iv. A summary of the applicable ethics requirements, to include whether SGE members are required to file a Confidential Financial Disclosure Report.

As the Group Federal Officer (GFO), and on behalf of the Board's Sponsor, the Secretary of the Army, you are responsible for:

- a) Ensuring that the Board's DFO attends all Board and subcommittee meetings for the entire duration of each and every meeting.
- b) Ensuring that the DFO and the Board fully comply with all governing Federal statutes and regulations; DoD Instruction 5105.04, "Department of Defense Federal Advisory Committee Management Program"; policy decisions issued by the Secretary of Defense, the Deputy Secretary of Defense, or the Deputy Chief Management Officer; and procedural guidelines issued by the Advisory Committee Management Officer.
- c) Ensuring all work performed by the Board and its subcommittees is based upon written tasks or terms of reference assigned to the Board by the Secretary of Defense, the Deputy Secretary of Defense, or the Secretary of the Army, as the DoD Sponsor. All tasks or terms of reference are subject to public review and, at a minimum, shall include:
 - i. A description of the problem or policy to be analyzed and the DoD decision maker for the matter(s) under consideration.
 - ii. Authority for the members of the Board or its subcommittees to access DoD officials and DoD data that is pertinent to the matter(s) under consideration.
 - iii. A date by which the Board must submit its written conclusions (advice and recommendations) to the DoD decision maker.
- d) Providing adequate support to the Board and its subcommittees, and ensuring the Board and its subcommittees are not unduly or inappropriately influenced by Federal employees or any special interest group.
- e) Ensuring that all visits to DoD installations or facilities by members of the Board and its subcommittees occur in consultation with the respective Secretaries of the Military Departments or the Chairman of the Joint Chiefs of Staff, as appropriate.
- f) Ensuring all members of the Board and its subcommittees are appointed according to DoD policies and procedures. No member will participate in any work performed by the Board or its subcommittees until all of the following have been completed: the member completes and submits to the DoD all personnel and ethics paperwork required for his or her appointment; the appropriate DoD offices process the individual's personnel and ethics paperwork; and the individual takes the oath of office, if necessary, for his or her appointment.
- g) Ensuring all DoD and other Federal Agency documents provided to the Board or its subcommittees are properly marked according to governing statutes, regulations, and DoD policies and procedures.

- h) Monitoring the implementation status of any recommendation adopted or partially adopted by the DoD and ensuring that this information is available for future inquiries.

Based on the Secretary of Defense memorandum of October 9, 2012, concerning advisory committees, we recommend you continually reevaluate the Board's functions and reduce, where appropriate, the Board's operating costs. As then-Secretary of Defense Panetta stated, "we must continually assess our advisory committees to ensure that they deliver appropriate value today and in the future as times and requirements change."
